| BACK TO BASICS – A MUST FOR ALL COACHES Back to Basics is a must for all coaches. Gene goes over the 8 Basic Skills (with the 8th being the Half Nelson essentials). Gene covers important skills for set ups on your feet, recovering from bad shots and easy ways to defend and score if they attack your legs. Gene covers easy ways to break opponents down to set up easy turns and goes over keys to improve how to score from bottom. -Pin2Win, Inc | | DEFENDING LEG ATTACKS Gene covers many ways to score, takedown and pin your opponent if he dare grabs your leg. He shows how to pin if your opponent tries to high crotch, single leg, low single, double leg, firemans carry or dump. Gene shows how to make sure they end up on their back if they try any of those. Gene's philosophy is "Pin unto others as they would pin unto you." -Pin2Win, Inc. |
| TILTS AND TURNS Mean Gene, the pinning machine, covers a variety of turning and riding techniques from the mat. He emphasizes controlling ones opponent's hips and flowing from one position of danger to another. The half nelson is not covered in this series. -D.D.D. Productions | | TWO ON ONE Gene covers the Russian two on one series in great detail, demonstrating not only the takedowns and setups, but also what to do if tries to counter by controlling your wrist, pushing your head, or even using it on you. A very effective and useful tape if you find yourself lacking that blinding speed and need a means of slowing your opponent's motion down in order to set him up. -D.D.D. Productions |
| HALF NELSON FROM THE KNEES Gene shows the devastating pin series which is responsible for the majority of Gene's 107 college pins. Gene goes over how to break opponents down to set up the half with the far wrist, hook, armbar, tight hip or thigh pick. Gene goes over how to pin your opponent if he tries to wing, granby, roll, peel the hand, flatten out, buck up on all fours, sit out, stand up and more. Gene also covers some set ups and finishes for the crab ride half. A 1 hour technique video to help you pin down your desired championships. Pin2Win, Inc. | | INSPIRATION FOR PERSPIRATION This is a positive mental attitude tool rather than a technique tape. It's the perfect thing to inspire that special athlete or to fire up the team before that big meet or tournament. Let Gene tell them what it really takes to be champion and see that their coach does know what he's talking about. Getting the proper mental edge can make the difference in a lot of athletes. At the conclusion of the video is Gene's match against his most respected opponent of all time, Joe Gonzales of Cal State Bakersfield in the NCAA Finals. Between Gene & Joe, they were 82-0 and it was considered the match of the decade. -D.D.D. Prod |
